Each family is to be at the Chapel at 7:30 A.M along with the others in your group on your assigned Saturday. Each group will have an assignment twice during the year. I will send out a reminder the week before your day. If you are unable to attend on that day please trade with someone else so that we are sure to have enough people. Ed Woodin will be there with the necessary equipment and advice to get you started. It will take about one hour to complete the job.
